

humboldt site ten

LOCATION

Site Ten of Humboldt North Industrial Park includes 180,000 square feet of proposed multi-purpose industrial space in the newest section of Humboldt Industrial Park, Hazleton, Luzerne County, PA. Humboldt is a mature three thousand acre industrial park near the crossroads of I-81 and I-80 in Northeast Pennsylvania. This desirable location is within 250 miles of most major markets in the Northeast and Mid-Atlantic regions.

ACCESS

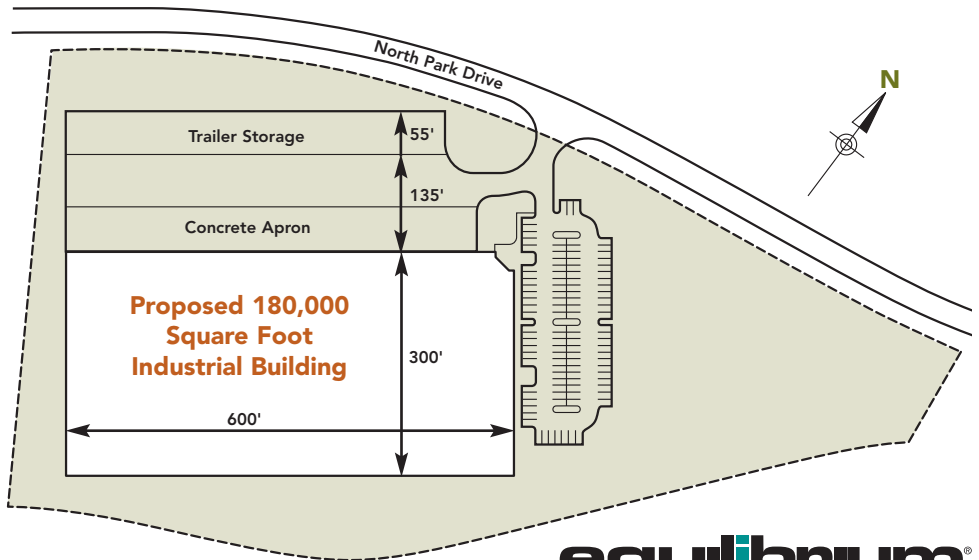

Located just 3 miles from the interchange of I-81 and State Route 924, this location offers excellent transportation links to interstate highways. The intersection of I-80 and I-81 is located just 10.5 miles to the north of Site Ten. Highly traveled I-78 intersects with I-81 just 57 miles south of Site Ten.

DESIGN

The building design includes features expected in a Class-A industrial building. Specifications include tilt-up concrete construction with a thirty-two foot clear height and ESFR sprinkler system. There is ample car parking and additional room for storing 46 trailers.
